THE magnitude of railroad mileage and value is simply astounding. Recent statistics show that the length of the railroads of the world was 537,105 miles on December 31, 1904, of which 270,336 miles were in America, 187,776 in Europe, 46,592 miles in Asia, 15,649 miles in Africa and 16,702 miles in Australia. The total value of the railroads of the world, according to these statistics, is \$43,000,000,000, of which the European roads figure for \$22,000,000,000. The estimate for rolling stock is as follows in numbers: Locomotives, 150,000; passenger coaches, 225,000, and freight cars, 3,000,000.

AT the present rate the Panama Canal won't be built in the present century. Nothing of consequence has been done on it after three years' talk and it is stated that the Commission is spending \$650,000 a month killing mosquitoes and building plank hotels. It begins to look like we have bitten off more than we can "chaw."

TOM LAWSON says that insurance officials have stolen over \$150,000,000, and that at least 100 men will go to prison after the investigation now under way is completed. We have little doubt of the first proposition, but fear there is little danger of the rascals getting their deserts in jail.

A MAN who lives at Bowling Green, Ky., and a woman of Springfield, O., were married the other day after a constant correspondence of 18 years. He probably thought it was cheaper to marry than to buy postage stamps.

HERE it is again. A New Jersey Judge has decided that a man must pay the debts contracted by his wife before marriage, thus putting another stumbling block in the path of matrimony.

W. OWEN MCINTYRE, who changes his business about as often as the average man does his shirt, will start a new paper at Harrodsburg known as the News. The first issue will appear Oct. 1.

THE Somerset Journal suggests Capt. R. M. Jackson, of London, for Representative. A capital idea. We hope the gallant captain will take the matter under serious consideration.

A BEAUTIFUL and interesting illustrated Sunday supplement is another new and good feature of that progressive paper, the Kentucky State Journal.

DON'T forget to register Tuesday, next.

Secretary Shaw in a letter to a Republican club at Des Moines announces that he will retire from the Cabinet on February 1.

The protocol adopted by the commissioners of Sweden and Norway provides for a neutral zone on either side of the frontier between the two countries.

The tie between W. C. Herndon and James T. Buford for the Democratic nomination for Police Judge at Frankfort was decided in Mr. Herndon's favor by the tossing of a coin.

Gov. Beckham has appointed W. F. Black, of Princeton, county Judge of Caldwell county, to fill the unexpired term of W. S. Randolph, deceased. Judge Black is the Democratic nominee for election this fall.

The County Republican Committee heard the contest between J. R. Elliott and Joseph Atkinson for the nomination for Magistrate in the Second district of Mercer county, and threw them both out and gave the nomination to Jesse Reed.

A petition is being circulated in Harrison, Nicholas and Robertson counties asking E. K. Renaker to resign as the democratic nominee for Senator from that district. This is the outcome of the verdict for \$3,500 returned against him in the slander suit by Miss Elizabeth Whitaker.

No register, no vote, if you live in Stanford, Hustonville, Crab Orchard or Rowland. Better register Tuesday.

**A Clear Complexion and Bright Eyes.**

In most cases a sallow, blotched complexion and dull, heavy eyes are due to poor digestion and an inactive liver. Orino Laxative Fruit Syrup aids digestion and stimulates the liver and bowels and makes the complexion smooth and clear. Orino Laxative Fruit Syrup does not nauseate or gripe and is mild and pleasant to take. Refuse substitutes Penny's Drug Store.

### Men Past 60 in Danger.

More than half of mankind over 60 years of age suffer from kidney and bladder disorders, usually enlargement of prostate gland. This is both painful and dangerous, and Foley's Kidney Cure should be taken at the first sign of danger, as it corrects irregularities and has cured many old men of this disease. Mr. Rodney Burnett, Rock Port, Mo., writes: "I suffered with enlarged prostate gland and kidney trouble for years and after taking two bottles of Foley's Kidney Cure I feel better than I have for 20 years, although I am now 91 years old." Penny's Drug Store.
